Hi Everyone,

Well, can you believe it's almost here!

I just want to let you know a couple of things. Jamie will bring patterns, books, brushes to sell at the seminar. You are responsible to have your items base coated prior to the seminar (if you want to complete your piece at the seminar).

We will begin painting at 9 and work until 5 both days. We will open the doors as close to 8 as possible and we **always welcome everyone to help set up.**

With all of us getting a little older and not quite as strong as we used to be it is important we share the work load.

Lunches will be provided both days so is anyone interested in providing lunch? (you will be reimbursed for your purchases).

We'll let you know what the menu will be once it is set up. We always welcome snack if you are not able to help with lunch,

I am attaching the directions to the Admin. Building as we have one newbie non-member, plus members from Utah and New Mexico. We will also see friends from Colorado Springs. Looking forward to seeing you all. Don't hesitate to let me know if you have questions. Carolyn

See you August 29 and 30 for a fun seminar.
